

INTRODUCTION & PARTICIPATION INVITATION

Dear Mr. Cawthorn,

On behalf of the Lee County Republican Executive Committee (LCREC), we formally invite you to participate in the **Ethical Campaign and Accountability Initiative (ECAI)** and to be included in the official Republican Candidate Voter Guide for this election cycle.

As candidates representing the Republican Party, we seek to project the highest standard of public service—one that is free from even the appearance of impropriety in governance and campaigning. Ethical campaigns and ethical governance must extend beyond what is merely legal to what is principled, honorable, and right. It is in this spirit that the Ethical Campaign and Accountability Initiative was established.

We respectfully request that you complete the enclosed candidate packet, which includes:

- Ethical Conduct Commitment
- Financial Integrity Commitment
- Biographical Questionnaire
- Office-Specific Questionnaire

Your responses will be published on LeeGOP.org and other appropriate public platforms to inform voters, share your message, and provide a comprehensive voter information resource for Republican voters.

LCREC will also host candidate forums where you will have the opportunity to present your vision and respond to questions on a broad range of issues. You will be contacted as event details are finalized.

ECAI PARTICIPATION BADGE

Candidates who fully complete the ECAI process will be designated as **ECAI Participating Candidates** and granted a limited, revocable license to use the official **ECAI Participating Candidate Badge** in campaign communications.

Accordingly, participation **does not constitute or imply endorsement, recommendation, rating, certification, or formal support** of any candidate by the Lee County Republican Executive Committee, its officers, members, or affiliates, nor does it create any contractual or endorsement rights except as expressly provided in writing pursuant to applicable party rules and Florida law.

We look forward to your participation and to providing Republican voters with meaningful, transparent insight into your candidacy, values, and record.

I acknowledge that compliance with Florida election and ethics laws—including but not limited to **Chapter 106 and Chapter 112, Florida Statutes**—represents the minimum legal requirement for candidates and public officials.

By signing this commitment, I affirm that I will hold myself to a higher ethical standard than mere legal compliance and agree to the following principles and obligations.

1. Voluntary Participation

I voluntarily agree to participate in the **Ethical Campaign & Accountability Initiative (ECAI)** of the **Lee County Republican Executive Committee (LCREC)**.
