MESSAGE FROM THE CHAIRMAN

Welcome to the Lee GOP's inaugural Lincoln Reagan Trump Dinner!

Tonight we gather to honor the enduring legacies of President Abraham Lincoln, President Ronald Reagan, and President Donald J. Trump, a transformative leader whose vision, strength, and America First policies continue to reshape our nation for the better. As we also celebrate 250 years of American exceptionalism, we reaffirm our commitment to the principles of liberty, opportunity, self-reliance, and constitutional governance that have made our country the greatest force for good in the world. We continue our country's legacy by staying engaged in our local elections and supporting our county Party because all things start local!

I am honored to serve as the first female Chair in the history of the Lee County Republican Party. Since taking the helm, my focus has been clear: recruit and empower the next generation of business-minded young professionals, identify and support strong Republican candidates at every level, and build a grassroots organization that gets out the vote and delivers results. After executing successful fundraisers that brought in over \$70K in 2025, we are just getting started. I have:

- developed an aggressive and detailed Get Out the Vote plan for 2026 that includes a full rollout of digital, print, mail, radio advertising, podcasts, and phone banking
- managed more than 3,000 targeted postcards and mailers to new movers, small businesses, candidates, and Republican elected officials in the first quarter of 2026
- Assisted in implementing a robust precinct strategy across our 240+ precinct members to educate our neighborhoods, businesses, churches, and organizations this summer
- helped launch the Ethical Campaigns and Accountability Initiative, a clear process that helps voters understand each candidate's and incumbent's priorities, record, and commitment to conservative values
- in the works a series of district socials, open houses, candidate forums, and community events so Lee County voters can personally meet and vet our Republican candidates before the elections

The road ahead is critical. The August 18th primary election is one of the most important dates on our calendar. In Lee County, primaries often decide the outcome in our strongly Republican county. Every committed conservative who stays home on August 18th risks handing the nomination to a weaker candidate and weakening our party's position in November. I urge every one of you to vote in the primary, to bring your family, friends, and neighbors, and to make sure your voice is heard.

Thank you for your support, your patriotism, your dedication to making America great, and for celebrating this beautiful country with the Lee County GOP tonight.

Mercedes Price-Harry

Xaviaer is a frequent contributor to PragerU, FOXNews, FOX Business, Piers Morgan, Newsmax, and other major outlets.

Behind the scenes, Xaviaer served on the Republican National Committee's Youth Advisory Council, contributing to President Trump's historic victory in 2024. He now partners with the Trump administration's New Media Department to collaborate on messaging and youth-oriented initiatives.

HONORED GUEST

U.S. CONGRESSMAN BYRON DONALDS

Born and raised in Brooklyn, New York, Byron Donalds was raised by a single mother whose emphasis on hard work and opportunity shaped his commitment to the American Dream. He graduated from Florida State University with a degree in finance and marketing and built a career in finance, insurance, and banking in Southwest Florida.

As a member of the Florida House of Representatives, Donalds was a leading advocate for school choice and parental rights, helping pass the Hope Scholarship Program and landmark legislation increasing transparency in school instructional materials. He also chaired the House Insurance and Banking Subcommittee, advancing pro-business and insurance reforms, and was appointed to the Florida SouthWestern State College Board of Trustees.

Since 2020, Congressman Donalds has represented Florida's 19th District, where he has quickly emerged as a leading conservative voice in Washington. Serving on the House Oversight and Accountability and Financial Services Committees, he has been a strong advocate for fiscal responsibility, secure borders, Second Amendment rights, and limited government.

He has led efforts to hold the Biden Administration accountable, push back against “woke” policies in government and corporate America, and defend conservative values nationwide. A top surrogate for President Trump’s 2024 Campaign, Donalds is widely recognized as a rising leader in the Republican Party.

Byron resides in Naples, Florida with his wife Erika and their three sons - Damon, Darin and Mason.

I ran to bring a fresh perspective to Lee County, grounded in conservative values. I fought to pass term limits, keep our county open and mask-free during COVID, and for lower taxes while reducing government. As I seek my final term, I am ready to continue that work, and I ask for your support once again.
